

Lights of the Northwoods

Family, Youth Non-Profits, or In-Memory/Thanksgiving Display Application Form

Family or Youth Non-Profit Groups are invited to build their own display in Hodag Park as part of the Lights of the Northwoods Event. All material to be supplied by the family or group. The Family or Non-Profit must make a \$25 donation to the Lights of the Northwoods. Displays must be in the spirit of the Holidays and be approved by the Lights Committee. **Ground display** areas are approximately 15'x15', larger areas can be requested. Displays should be free standing, weighted down and secured to not become windblown. Park trees or buildings cannot be used as anchors. Metal stakes cannot be driven in the ground without the permission of the Lights Committee. **All lights on the display must be LED** and the Family or Non-Profit must supply their own cords to power the display. Power source could be over 100' away. All light strings and cords must be exterior grade and in very good condition. **Ball fields fence panels approx 8'x10' are also available to create a design and outline it with lights.** No inflatable displays or portable generators are allowed. **A Family/Group may consider just providing a tree and decorating it in memory of, or to honor someone, or in Thanksgiving.** Families or Non-Profits are expected to keep their tree/display in good condition but are not required to tend the display during the event. A Family or Non-Profit can display their name or message on a weather proof poster board or similar material not exceeding 9 square feet and neatly done. The Family or Non-Profit assumes the entire risk and liability of their display and the The Lights of the Northwoods or the City cannot guarantee that the display will not be damaged or stolen. Displays can be put up anytime between November 13 – December 3rd and must be taken down by January 16th. Earliest applications will be given priority and we urge uniqueness for the displays. Applications will be accepted until December 1, 2021.
