

LIGHTS OF THE NORTHWOODS

Greetings!

We hope you are in good health and spirits! We recognize the challenges each of you face in managing your business and keeping your family safe. We understand these are your priorities and we encourage you to let us know if there is anything we can do to support you.

Lights of the Northwoods is celebrating its 6th year of operation! This year (based on public feedback) the lights will be lit from **December 2nd through January 1st. ending with our New Years Day Fireworks Display.** We also are able to bring back Santa and other Pavilion Events for two weekends, **Friday & Saturday, December 9-10 and December 16-17** as well as expanding the lighting displays across the park.

If you are able to make a donation this year, please fill out the attached form. Any amount is greatly appreciated! If you are unable to donate at this time, there are many other ways you can support us. Some things you can do are: share our mission with a family member or friend; mention our organization on your social media page; or volunteer your time helping us at the event. The possibilities are endless and all greatly appreciated.

in times like this, we are reminded how interconnected we truly are. Thank you for being part of our community. We know that by working together we can get through any troubled times and make the Northwoods an area we can proudly call home.

Respectfully,

Lights of the Northwoods
